STATUS: Open to the public, limited only by the audio phone lines and net conference access available.

PURPOSE: The committee provides advice and guidance to the Secretary, HHS; the Assistant Secretary for Health; and the Director, CDC, regarding the formative research, development, implementation and evaluation of evidence-based activities designed to prevent breast cancer (particularly among those at heightened risk) and promote the early detection and support of young women who develop the disease. The advice provided by the Committee will assist in ensuring scientific quality, timeliness, utility, and dissemination of credible appropriate messages and resource materials.

MATTERS FOR DISCUSSION: The agenda will include discussions on the current and emerging topics related to breast cancer in

young women. These will include public health communication, breast cancer in young women digital and social media campaigns, and CDC updates. Committee workgroups will report findings to the committee.

Agenda items are subject to change as priorities dictate.

Online Registration Required: All ACBCYW Meeting participants must register for the meeting online at least 3 business days in advance at

http://www.cdc.gov/cancer/breast/what_cdc_is_doing/meetings.htm.

Please complete all the required fields before submitting your registration and submit no later than December 8, 2016.
